My driller thriller night...

Just because I munch on muff, that doesn't exclude me from getting a good shafting too, you know! I've had roughly the same amount of boyfriends as I have girlfriends, but I've had more one night stands with blokes than I have with girls.

One boyfriend of mine had quite an impressive cock, I remember. His name was Phil and I was seeing him for a few months before he got pissed off with me copping off with girls all the time. Dozy twat, most blokes would be keen as mustard to join in!

I really wanted to get both my holes plugged at once. Phil's cock was too big to go up my arse, not for want of trying, so I decided I'd use one of my dildos on my arse while Phil slammed my pussy with his cock. I introduced Phil to the idea one night, and as you can imagine he was well up for it.

We had a shower together to get in the mood. Then in the bedroom I lay down on the bed and Phil gave me a good long licking out, getting my pussy nice and wet. Then I got Phil's cock out and sucked it until it was fully erect. Without further ado I jumped onto the bed and got on all fours.

Phil got in behind me and rammed his big fat cock into my juicy pussy. He began slowly sliding in and out of me, his cock glistening with moisture as it glided back and forth. I closed my eyes and let him drill me for a while.

After a few minutes I was nice and relaxed, just taking a nice easy fucking. Then I reached into the drawer beside me and pulled out my smallest dildo. I also pulled out a bottle of lube. I told Phil to put his hand out, and when he did I squeezed a big load of lube over his fingers. I told him to finger my arse to get it ready for the dildo.

He kept up a good rhythm fucking me while he inched a finger into my arse, making me gasp as he did. As I rocked

GEYSER BIRDS!

Horny homage to staggeringly popular 1980s drama *Dallas*, this XXX Parody from the studios of Adam & Eve will have you pumping your cocks like one of the Ewing family's oil wells. Eric Masterson has great fun as incorrigibly wicked J.R. – the only thing bigger than his ego or his helmet is his hat. Old lush Sue Ellen is played by Bobbi Starr, poison dwarf Lucy by Alexis Ford and goody two-shoes Pamela by India Summer. Even Brooklyn Lee turns up for a drilling and ends up gushing everywhere – as you will be watching this slick production.

forward to the rhythm of Phil's steady thrusting I applied a generous amount of lube to my trusty dildo. Reaching behind me, I pressed it up against my twitching arsehole. To my surprise it slid home easily. I began pumping it in and out of my arse in time with Phil's meaty cock.

I got a bit carried away and, chucking the dildo to one side, I told Phil he could stick his cock up my arse. He was over the moon! Pressing his big shiny helmet against my ring, he slowly applied pressure. For a while it seemed like it wasn't going to happen but then, as if by magic, my anus acquiesced and his cock popped inside.

He nudged it gradually further inside me until half of his big tool was wedged in my arse. He began to pump it very slowly in and out of me, driving me wild. I'd never been so full of cock in all my life and I was fucking loving it, creaming like a Friesian. It wasn't long before Phil pulled his knob and out and fired his goo all over my arse. I rubbed our mixed emissions all over my bum cheeks in ecstasy.

Twin set and pearl necklace

My husband is a keen amateur photographer who likes to take pictures of me. Sometimes our sessions get out of hand and he ends up shagging me senseless.

I have also posed for quite a few other amateur photographers, though these have never developed beyond the camera. This was set to change.

A friend of my husband, Sam, needed a model at short notice. My husband asked me if I would do it and I said yes.

I travelled down to London for the shoot, meeting Sam at his studio. He was tall, muscular and dark-haired - a real hunk you could say!

He showed me around his studio and busied himself setting things up for the shoot. We got on really well.

I slipped into the dress I was to wear (no bra or panties!) and got in front of the camera. Sam started slowly, getting me used to his style and making sure I felt at ease and relaxed.

I was getting horny being directed by this hunk. He eventually asked me to push the top of my dress down to my bikini line (which I hardly have!).

He constantly complimented me on my body which made me still hornier and wetter. I had never been attracted this way in front of the camera before.

We had a short break for a change of film, during which Sam uncorked a bottle of chilled wine. Another bottle down the line, we continued the shoot.

He asked me if we could do some magazine shots and I readily agreed, pussy soaking. I then ran through a familiar routine of poses which usually ended in my hubby dicking me.

It seemed to have a similar effect on Sam, judging by the bulge in his trousers.

Telling me what a fantastic body I had, he began to kiss me. I let him continue, the situation and the wine making me long for his cock.

I was virtually naked, and Sam spread my legs on the couch and began invading my pussy with his tongue.

Suddenly the doorbell went. Sam cursed, apologised, wiped the juice from his face and went to answer the door.

I was dejected at the thought of passing up a good fuck. I needn't have been.

Into the room came not one Sam, but two. He introduced his identical twin Martin. He told Martin the formal shoot was over, but he and I were attending to another matter.

He asked if I minded Martin's presence. "How could I refuse?" I replied, anticipating my first ever double fuck.

After a few brief words and kisses, the brothers moved into action. I was rolled onto my front, face down, arms and legs outstretched. I was left for a few seconds while they undressed. Next, Martin was in front of me and raised me to my hands and knees.

I saw his prick which he about to feed me. It was a large purple headed beast, just the same length and girth as my husband's.

I busied myself on the head, shaft and bollocks while Sam was behind me, parting my pussy lips. He trickled saliva onto my arsehole and cunt.

Then he started to lick and tongue my pussy, at the same time gently teasing my arsehole with his wet fingers. My aching pussy needed a big hard swollen cock up it. Martin got behind me and forced his rampant cock into my dripping wet hole.

"The twins wanked and spunked all over my face and in my mouth"

Sam then knelt in front and I took his cock in my mouth. I nibbled around the helmet, making him groan with pleasure. While Martin was fucking me from behind he had been dropping his spit into my virgin arsehole and massaging it in with his thumb.

He then took his cock out of my pussy and teased the head into my aching arse. The joint pleasure and pain was indescribable.

I raised up slightly, allowing Sam to slide underneath me. He fed his cock into my cunt while Martin's cock drove further into my arsehole.

They then both set a gentle rhythm and fucked me through another pair of orgasms. I knew they wouldn't be able to keep it up for long without spunking.

I was right. In unison they withdrew their juice-smeared cocks and raised me onto my knees, one either side of me.

They both wanked and spunked all over my face, in my mouth and over my tits. I swallowed as much as I could, loving it.

It's a shame my husband couldn't join in! Next time?

What goes in hard and stiff and comes out soft and wet?

Chewing gum, of course.

An Essex girl was playing Trivial Pursuit with friends. She rolled the dice, landed on 'Science and Nature' and got the question, 'If you are in a vacuum and someone shouts to you, can you hear them?' She pondered for a moment before asking, 'Is the vacuum on or off?'

Two blondes walk into a building. You would have thought at least one of them might have seen it.

What's the best thing about getting a blowjob?

Ten minutes of peace and quiet.

A father says to his wife, "I'm so proud of little Jimmy's test results. He must get his brains from me, don't you think?" Jimmy's mum rolls her eyes and replies, "Probably dear – I still have all of mine."

What do you call a man who has 99% of his brain missing? Castrated.

I FELT VERY SORRY FOR THE STAGE HYPNOTIST I WENT TO SEE LAST NIGHT – HE HYPNOTISED SIX MEN BUT THEN DROPPED THE MICROPHONE AND YELLED, "FUCK ME!" WHAT HAPPENED NEXT WILL HAUNT ME UNTIL THE DAY I DIE.

TRUE CON

JAMES JOINS THE MILE HIGH CLUB FROM THE COMFORT OF HIS OWN HOME...

Long flights are a killer for the mind! I'm sure I should be able to use this thinking time more productively, but all that seems to pre-occupy me is the thought of joining the mile-high club, preferably with one of the flight attendants. I have to go and relieve myself at least a couple of times on the journey, just to get it out of my mind for a bit! I've got an incredibly high libido and my wife jokes with me that she doesn't know how I can go that long without it. Unfortunately, as my trips are all work related, she's never there to help me out!

As we're a pretty liberated couple we tell each other our fantasies, without fear of the other feeling jealous. When I drunkenly told my wife that I wouldn't mind a mid-air threesome with her and one of the female crew-members, she giggled and said, "Oh... I'll have to see what I can do!" I thought nothing more of it at the time, but a couple of days later I realised that Stella had taken my fantasy seriously.

Sitting there watching a film, Stella suddenly got up and said, "I've just remembered I've got to get something ready for work tomorrow. Don't stop the DVD – I won't be long." Engrossed in the film, I barely noticed the time she was gone, but certainly noticed her arrival back! She was dressed in a genuine flight attendant's uniform, hat and everything – the full works! In one hand, she was carrying a plastic tray on which was balanced a tumbler and miniature bottle of gin, and she had a pillow in the other hand. Tucking the pillow behind my head, she adopted a professional tone to her voice, asking, "A drink, sir?" I took the drink from her, grinning from ear to ear, and took a sip. "Is there anything else I can get for you, sir?" she added, as she leant over and dimmed the lights.

Taking in what she was wearing properly, I could see that she had bought a size smaller than she usually wore, so her arse was gripped tightly by the material of the short skirt and her ample boobs strained against the buttons of the jacket. I could see from the exposed neck that she was wearing nothing underneath. Still grinning, I asked her, "Would it be possible for you to show me your tits, please?" Stella instantly pulled apart the jacket, lifted her breasts out and rested them on the lapels. "Anything else?" she offered, but I didn't reply this time. I merely opened my flies, allowing my erect prick to stand rigid through the fly on my boxers. Reaching down, she began stroking my cock up and down with a slightly dispassionate expression. Her

"SHE SOAKED MY SHAFT IN MUSKY JUICES"

FESSIONS

pretend indifference turned me on more than ever. She was barely maintaining eye contact, but she instinctively began tweaking her exposed nipple.

"Could you please place your lips around there?" I daringly asked, shifting my trousers and pushing my boxers down to my ankles. Dropping to her knees, Stella pulled my dick towards her and began slapping the tip of my penis gently against her extended tongue, in the horniest manner I've seen. Then, in one sudden swift movement, her shoulders shifted forward and her lips dropped over my rod until I could feel my foreskin against the back of her mouth. With her hair tucked up into the hat, it looked very realistic, and my mind was allowing me to imagine the scene for real, all my fantasies coming true in that moment. Stella began making loud slurping noises as she worked her tongue faster and faster over the length of my dick. I had to bite down hard on my lip to stop myself from coming, as she pushed my cock back and sucked at my scrotum, all the while tossing me off. By the time her tongue had crept around and began to poke into my arse, I couldn't hold back any longer; I just had to fuck her.

I dragged her up on top of me and she hoisted up her skirt as she moved. She then simply yanked her panties to one side, revealing a moist, shaven pussy, which was slowly slipped over my already aching dick. Pinning my hands back against the sofa, she began riding me, pushing down and forwards hard, before lifting almost all the way off and repeating the motion. I moaned as her tight cunt muscles gripped my tool and milked away at it with every stroke. I held her hips and began to thrust, matching her rhythm, forcing my cock in even deeper. She groaned as my helmet filled her up to the brim and when I sucked on her nipple, I thought she was going to explode, the noises she was making!

Instead, she pushed herself up and off my still-thrusting prick, and turned herself around, offering her dripping twat for me to fuck once again, but this time in reverse-cowgirl. I didn't hesitate, ploughing my meat into her tight cunt and pounding away, for all I was worth. I held onto her tits and used them as leverage to lift her up of my dick and smash her back down onto it again. Stella was wailing away, by this point, and I knew was loving getting fucked so hard. I was surprised, though, when she started talking dirty to me in character, something she rarely did. It was clear that she had turned herself on with all the play-acting and was fucking away like a woman possessed, moving her fingers down to her clit to speed up her orgasm. She didn't have to wait long, as the spurt of come that I shot inside her instantly made her collapse onto me, shaking and breathlessly repeating, "Oh fuck!" as she soaked my shaft in her musky juices.

When she'd regained her composure, she remained in character, re-adjusted her clothes, smiled and returned with another drink, whilst I finished watching the film. She'd certainly fulfilled my fantasy, but the only problem is that when I really fly now, I keep waiting for the same thing to happen.

All in at the strip poker game

We had no idea what kind of an evening lay ahead when Maria went and answered the door to Sandra and Tony.

We spent dinner drinking and chatting with our old friends and soon broke out the cards.

One of the girls suggested we played strip poker and five minutes later we had Maria out of her bra.

Maria jiggled her beautiful rounded tits in my face and offered me one of her nipples. I took it into my mouth and soon had it standing erect against my tongue.

"What about me?" asked Tony, so she offered him the other and a moment later he was sucking for England.

Maria was clearly enjoying this as much as we were because the gusset of her thong was suddenly soaking.

Sandra was the next to lose a hand and offered up her tits as her forfeit.

"My turn lads," she said,

> "She took his whole massive shaft into her wide, hot, wet mouth"

“They put their legs on our shoulders and masturbated their sticky little slits”

lying back over the table. Me and Tony started licking her pointed nipples until Maria insisted we continued with the game.

Next item of clothing to go was Tony’s boxers. Both girls stared at his erect cock as it bobbed in front of them but it was Sandra who grabbed it first.

She opened her lips, leaned forward and took his whole massive shaft into her wide, hot, wet mouth.

She stroked her rosy red lips along the length of his stiff dick and was soon joined but Maria.

Maria dropped to her knees and began playing with Tony’s balls as Sandra sucked his rigid purple cock.

After a while Maria took Tony’s cock from Sandra’s mouth and rubbed her lips all over his dribbling cock’s head.

Sandra decided that the game was taking too long and declared we should just play girls against boys from now on.

The guys lost and soon the girls had two big hard pricks to play with.

Sandra saw mine and said she’d never played with a pierced cock before.

“Be my guest,” Maria told her, so she pulled back my foreskin and rubbed a finger over my eye until it was covered in my ooze.

She slowly leaned forward and carefully licked around my glistening cock head before sinking half my length into her warm, inviting mouth.

My girlfriend looked on as Sandra ran her lips up and down my shaft and jiggled my balls.

The girls then slipped out of their thongs, and leaned back in the sofa and slowly started to finger-fuck themselves.

They ordered that we kneel in front of them and placed their legs up on our shoulders as they masturbated their sticky little slits. What a sight!

I couldn’t resist any longer and pulled Maria’s hand from her sopping cunt and replaced it with my mouth.

I licked her dribbling juices as she smeared my face with cream and soon Sandra was moaning next to us.

I could’ve licked her cunt all night but Maria demanded something a little more substantial inside her.

I fed my prick into her and slowly started fucking her gloriously wet pussy as Tony and Sandra fucked along side us., grinning wildly.

I was just about to blow my load inside her when Sandra suggested we all swapped over and to my surprise Maria agreed. My cock was soon inside Sandra’s cunt and I was fucking her with long strokes when she stiffened up and came all over my balls. It felt wonderful, my nuts swamped in batter.

A moment later I heard Maria cry out, “Oh yeah, that’s it, fill my cunt with cum,” and this was enough to get me pumping inside Sandra.

I squirted my hot cream deep inside her pussy, then flopped back in the chair opposite when I was all done.

The four of us are already planning our next night of fun together and I can’t wait.

Faye & Ashleigh

What do you open first on Xmas morning? Your legs, if you're anything like these two seasonal sluts. "I get porked by my boyfriend while I'm guzzling buck's fizz!" yells excitable Faye. "I had such a good fucking last year I forgot to put the turkey in the oven. I had to eat cock for Xmas lunch!" adds Ashleigh.

Fantasy Swing

Any regular reader of my sex toy shenanigans will know Passion8 is one of my favourite shops. So yippee and hurrah to their new sister sex toy store www.uberkinky.co.uk which is dedicated to the more hardcore sex brutes out there.

First for me to try from them is the Fetish Fantasy Swing. Once this thing is up you will never want to come down. It is nothing short of amazing and helped me and my fella do things to each other we did not even think possible. Penetration is harder and deeper and the feeling of being in the air puts a whole new spin on things. In fact I wonder how the hell my sex life has survived without this. It can support up to 400lbs in weight and if you don't want to start drilling in your ceiling you can buy a frame.

Uberkinky offer really good aftersales and advice, so if you're not sure which swing is best for you, pick up the phone.

Available from www.uberkinky.co.uk for £89.99; or call 01482 496937

hot pink lube

With all the swinging and willy decorating that will now be going on in your household, you might need a spot of lube to keep you going. This is slightly different form standard lubes as it heats up with friction, making this one especially good for the ladies. It is silicone- and glycerine-free so if you are sensitive down there this is ideal. Comes in small or larger bottles.

zeus handheld 8 mode power box

ON-OFF
MODE
HandHeld PowerBox

This reminds me of one of those TENS machines women use when they're popping out sprogs. It works with electrical current sent to the nerves, applied to the skin with pads – you'll make just as much of a racket as a woman giving birth but instead of ending up with a baby you'll be having a mighty fine orgasm – umm, I know which I'd prefer! You can accessorise with their range of toys – just plug into them to get those electrical currents right up there for maximum stimulation. Try it, it may look a bit labour ward, but who cares when you're squirting your pants off.

Available from www.planetorganic.com, £60

tower of power penis rings

Well, aren't these just adorable? I cooed as I opened up the package. Hopefully your missus will have exactly the same reaction to prettifying you penis – us girls do appreciate good accessorising. Using more than one will give you extra stimulation as well as making you look like a feature from the Chelsea Flower Show. Blooming lovely.

www.passion8.com, £9.99

STACEY

Helmets at the ready! Stacey bends the health and safety rules to within an inch of their lives in the cellar we've imprisoned her in like a precious bottle of Chateau Margaux 1964. Although she's actually a Cardiff 1991 vintage. "It's like my own private sex dungeon down here. I love it!" she cooes.

When God was filling up Raphaella's bra, he forgot to say "When!" Aren't these the biggest, bestest, Britishest boobs you've seen in a long time? And thank the Almighty for that. Presumably named after the Old Master, we'll be having a good old masturbate over Raphaella's voluminous valley.

Lucky fucker

Sharron & Will

Last Friday night started like most others – I got dolled up, hit the town with my mates and managed to pull. But, unlike most Friday nights, I ended up in two men's beds, not just one! For the past three months, I've been single and have been enjoying my freedom to the full. Almost every weekend I've copped off with someone and Friday wasn't the first time I'd gone home with Dean – and I'm sure it won't be the last. We're on the same course at university and he lives just around the corner from me, with five mates in a large, shared house. He'd been a great shag the previous two times I'd scored with him and I couldn't wait to get back into his bed.

"He plunged his cock back with such power, it made me whimper"

By the time we left the nightclub where I'd bumped into him, Dean was well pissed. He was slobbering all over me in the taxi, pushing his hands up my short skirt and burying his head in my chest. The taxi driver couldn't keep his eyes on the road for watching in the mirror, as Jack fumbled his way into my knickers. I got a real kick out of letting him finger me while we were watched, and by the time we pulled up outside Dean's house I was gagging to be fucked. "Lucky bastard," I heard the driver whispered under his breath, as Dean paid him. I beamed secretly to myself as I tucked my tits back

into my tight dress.

We staggered up the stairs and into Dean's room, where he pushed me onto the bed. He wasted no time with foreplay, simply whipping out his cock, pulling my knickers aside and ramming it inside me. As I mentioned, I was raring to go and soaking wet, but a little bit of teasing would still have been nice! I put it down to the fact that Dean was drunk and decided to make the best of it, grinding back against his forceful thrusts. I'd never known him to fuck like that before. He rammed his cock so far inside me it actually lifted me off the bed. He withdrew, almost pulling out of my sopping cunt completely, but just as the tip reached my tight entrance he plunged it back inside with such power it made me whimper. His face contorted with pleasure and he groaned loudly as his come-filled balls slapped against my bum cheeks.

I normally like to be the more domineering when it comes to sex but in this case I didn't really have much choice, lying there while Dean basically skewered me to the bed, fucking my brains out. His thick shaft stretched my cunt wide open and each time he thrust it inside me, I wriggled around so his smooth glans rubbed against my G-spot. Dean had now built up a steady rhythm and I could feel his veiny prick throbbing with anticipation inside me. He roughly pulled down my dress to grope my big tits and as his hands began kneading my soft flesh, he started panting excitedly.

I knew Dean well enough to know this meant he was about to come and not wanting to miss out, I desperately scrabbled at my clit to try to bring myself off at the same time. I knew I only had seconds to catch up but it was too late, Dean was so horny he couldn't hold on and with one final firm jerk, he fired his load into my sticky fanny. My pussy hole grew warm, as streams of spunk were shot inside and Dean's body twitched in satisfaction as he milked every last drop into my cunt. I honestly don't mind if I sometimes

miss out on coming when being fucked, especially if the bloke has tried his best but it's just not happening, but on this occasion I was so frustrated I thought I'd burst.

My pussy was throbbing with lust and it didn't help that Dean simply collapsed in a drunken, passed-out heap as soon as he'd shot his load. Determined to bring myself off and finish what he'd started, I tiptoed towards the bathroom. Half way along the dark landing, though, I heard someone moaning gently. Forever nosy, I peered through the keyhole of one of the bedrooms and saw Will, one of Dean's housemates, kneeling on his bed. At first I couldn't make out what he was doing, but as I continued to watch I realised that Will had his cock in his hand and was wanking it furiously. I love to see blokes tossing off and couldn't believe my luck. Will is the best-looking lad in the house and I was impressed to see he had a gorgeous cock to match. He was kneeling alongside an open porno magazine and was wanking off over some explicit photos of a busty blonde. My fanny began to squelch with excitement and I felt Dean's come gushing down my thighs. I thrust a hand between my legs and rubbed our combined sex juices into my aching pussy. I was so horny I could have come straight away, but I couldn't miss the chance of getting it on with Will.

Standing up, I tried to compose myself and knocked gently on Will's door before quickly opening it. He flung the magazine across the room and desperately tried to hide his bulging erection. "Oh, erm, hi," he stuttered, his face flushed with embarrassment. I didn't say a word, simply closed the door behind me and smiled. He looked confused as I pushed him back onto the bed and released his stiff cock from his jeans. "Let's not waste that gorgeous hard-on," I whispered in his ear, as I climbed on top of his fit body. I felt so wanton, sneaking into a man's bedroom uninvited and taking advantage

"I felt like such a whore, shagging one, then sneaking off to fuck another man"

of his sexual arousal. He must have been baffled as to how I'd gotten into his house, but at that point he was too horny to care and just wanted to shoot his muck. He was already so turned-on that his prick was leaking.

I bent down to lap it up from his sticky eye, my tongue flicking across the tip, before snaking its way down his length. I relished the taste of his clear juice before opening my mouth and devouring his tool as far as I could. He groaned as I forced his thick cock into down my throat, enjoying the feeling of it as it made me gag, and my eyes water. He grabbed the back of my head, his member filling my whole mouth, his salty pre-come dripping down the back of my throat and making me feel like a dirty bitch. When he let go and I came up for air, I only gave it a second before I swallowed him again, letting him hit the back of my throat once more, before deciding it was time to straddle his cock.

I released his prick temporarily, then hitched up my dress to give Will a glimpse of my neatly shaven cunt before lowering myself onto his meaty shaft. It slipped easily into my hole and Will let out a groan as I sank down the length of his pole. Slowly, I began riding his cock, gently leaning back so his shaft ground against my clit. I felt like such a whore, being fucked by one man then sneaking next door to shag another, but I loved it! My fanny oozed juices all over Will's cock and balls and I went wild, bouncing up and down on his dick.

I yanked down my dress and pushed his hands onto my heavy, swinging breasts, as I used his cock to bring myself off. He squeezed my stiff brown nipples and that added stimulation sent me over the edge – my hips buckled under the excitement and I cried in sluttish delight as a massive climax shook through my slim body.

My pussy leaked yet more lubrication over Will's prick and he began bucking his hips off the bed in an attempt to come too. He used my tits to bounce me up and down on his dick and after just a few firm thrusts he was ready to spunk.

I hoped he'd fill my fanny with cream, but he had other ideas. He roughly pushed me off him and forced me onto the bed where he finished himself off by wanking into my face; within seconds, Will was splashing rivers of salty come across my cheeks and into my mouth. I gulped down as much as I could and when he'd collapsed in exhaustion, I cleaned my face off with my fingers, licking them one by one. I left soon after, my satisfied pussy squelching all the way home – a telltale sign of a very successful Friday night!

TRUE CON

SINGLETON MISS P'S KINKY CHRISTMAS PARTY GOES WITH A REAL SWING

“I WAS DRILLED RELENTLESSLY FROM BEHIND!”

When you're a single girl like me, the party scene at Christmas is taken up to another level of fun! It seems that the season does bring out all the horny single men with only one thing on their minds – not that I'm complaining, you understand! With the last festive party I went to, it was clear from the start that things were going to get out of hand.

It was in a huge country house, decorated from floor to ceiling in everything from twinkling fairy lights and stockings, to mistletoe and streamers, and by the time I arrived things were already in full swing. Loads of people were dancing in the main room and couples were slinking off to bedrooms and quiet corners all around me. I knew hardly anyone there, so I stayed pretty close to the kitchen counter full of booze, until I was significantly more 'relaxed'. I began to dance with the rest of them, and was instantly approached by a tall guy, whose hands were on my hips, grinding against me. I responded by pushing my arse back into his groin, and I could feel that I'd made him stiff immediately. After dirty dancing for a few songs, we both headed upstairs together, looking for a place to take things a bit further.

Everywhere seemed to be littered with couples with the same idea, and he eventually just propped me up against the wall next to the bathroom door, and began to paw at my tits and kiss my neck. I was a little self-conscious being in the corridor, so as he kissed my now bare chest, I reached for the bathroom handle, turned it and found that it was open.

I dragged him in there, with my left breast hanging out of my bra like a total whore. Locking the door behind us, I reached into his trousers for the rigid cock I'd felt while dancing, and as soon as it was in my hand began to wank it furiously. “Can anyone join in?” a voice that wasn't his suddenly asked. We were both equally shocked and jerked our necks round to see a guy standing there who we hadn't even noticed was in the bathroom. As he grinned at us we both began to giggle like naughty schoolchildren, his dick still in my hand and me half-naked.

I don't know what made me say it, but I finally said to the guy I was with, “I'm up for it if you are?” He nodded and grinned back at the guy, who was already loosening his belt. I'd never had two men before, but as I tossed them both off standing up, I loved the fact that I had a mouth around each of

FESSIONS

my tits. I felt a hand on my head pushing me down to my knees, but I needed no encouragement.

I made sure that I licked each pole for the same amount of time, before returning to the other. I then began to deep-throat the first guy, tweaking and pulling at my own rock hard nipple as I sunk my head over his length. My arse was now being positioned in the air behind me, and a tongue was soon running in my arse crack until I felt the tip poke just inside my bum. It felt so good! I was lapping at the prick in my face and reaching round to stimulate his anus. As I did this, his cock flickered against my lips and tongue, and taking it in one hand I began to toss it off again into my open mouth.

The other guy's two insistent fingers, meanwhile, were poking my pussy hard from behind, whilst his tongue stayed on my bumhole. Soon they were replaced with the head of his dick, just inside the mouth of my vagina, which slipped deep inside me with the minimum of effort. Everything felt so intense, and as he pumped away at me I pushed my arse back, feeling his balls bang against me. I had the other guy pressed against the wall, moaning his delight at how I was cupping his balls and swallowing his whole length.

I knew this was going to be an amazing orgasm, but I wanted more! Taking the dick from my mouth momentarily, I commanded, "Put your finger in my arse!" to the other guy. With his fingers splaying my bum cheeks, he plugged his thumb inside me and pushed it steadily up my chute. I could barely feel my lower body as he quickened his thrusts, forcing me to hold on to the edge of the sink with one hand, my other hand and my lips around a prick that was just about ready to shoot its load.

I was overwhelmed by the situation, and as his spunk hit my face, I just opened my mouth, panting hard whilst I was drilled relentlessly from behind. I took the first few spurts into my mouth, then he was wanking himself off, spraying it over my neck and breasts which were slapping together with the momentum. My own orgasm was soon flooding my body, and with the thumb still in my arsehole, it seemed to go on forever. I was now urging him to "Come in my pussy, now!" my face still covered in jizz as I spoke. What a slut I felt as he delivered his wad into me, slowly pulling his thumb from my anus as he did! He even took his shaft from inside me to leave his final stream of come over my sweaty buttocks.

Surveying the scene after finally coming down from my climax, I couldn't believe that I had totally satisfied both these guys on my own. Their cocks were now soft but sticky. In fact I had never acted anywhere near this filthy in all my life, but like I said, being single takes fun to a whole new level! In fact, I'm glad I'm single for this coming Christmas time – I can't wait to see what festive fucking I can get up to!

Jenny

It took Jenny a whole bottle of Palmolive to work her mammoth mammaries to a satisfactory lather. And it will take readers a whole minute to lose their loads over her creamy cleavage. "My boobs are slippery, hot, wet, and always ready for another helping of sticky cream!" she says.

Superman XXX: A Porn Parody

Released by: Vivid Entertainment
Starring: Alexis Texas, Andy San Dimas, Kristina Rose, Lexi Belle, Zoe Voss

Vivid XXX Superheroes presents
FROM AXEL BRAUN
SUPERMAN XXX
A PORN PARODY
THEY DON'T CALL HIM THE MAN OF STEEL FOR NOTHIN'

BEST BITS: We loved the way the director Axel Braun chose to tip his cap to the original Superman, setting scenes reminiscent of the Hollywood blockbuster. Mouth-watering Andy San Dimas (*pictured*), who stars as Lois Lane, easily steals the two scenes she's in, oozing sex appeal as she sucks and fucks her way through the movie. Also a highlight was the sensational Alexis Texas moaning, "I wanna cum all over your evil cock", to Lex Luthor. So we now know what an 'evil cock' looks like…

WORST BITS: The soreness of our cocks after watching!

DVD FEATURES: Bonus bits aplenty, as you'd expect from a Vivid production. As well as the usual previews for other movies, you'll find a hilarious 30-minute behind-the-scenes clip and the 'non-sex feature' – a 25-minute-long clean version of the parody. Yes, really.

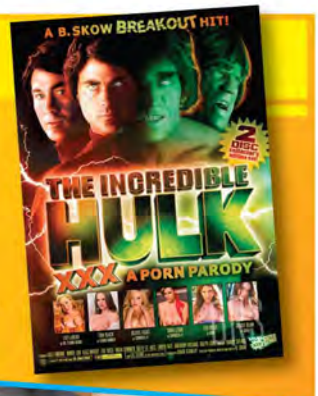
Incredible Hulk XXX

Released by: Vivid Entertainment
Starring: Tori Black, Tanya Tate, Lily LaBeau, Marie Luv



BEST BITS: Based on the 70s TV show, this epic porno boasts an impressive cast in its eight scenes of steamy fornication. Sex kitten Tori Black always gives a noteworthy performance – and us instant boners – but the stand-out scenes have to be those featuring the beautiful Lily LaBeau (*pictured left*), who more than holds her own against her co-stars; in her acting ability, as well as her talent for making pricks disappear into an artform.

WORST BITS: Four hours is just a bit too long for a fuck-flick, in our humble opinion; there's too much of a storyline (a rarity in pornland) and the sex seems a little drawn out at times. Also, the Hulk doesn't even make an appearance until disc two, leaving us feeling slightly short-changed.

DVD FEATURES: A surprisingly in-depth behind-the-scenes segment (including how to use food dye to turn yourself green). Scene selection allows you to pinpoint exactly where you want to stop, to the second. No more fast-forwarding!

Katwoman XXX

LOOK WHAT THE CAT DRAGGED IN
KATWOMAN XXX

Released by: Bluebird Films
Starring: Dylan Ryder, Andy San Dimas, Kagney Linn Karter, Gemma Massey, Anna Lovato, Brigette B, Jennifer Dark, Lexi Swallow, Natasha Marley

BEST BITS: Stunning Dylan Ryder stars as the sexiest Katwoman we've seen to date, and we're happy to report that she appears in three of the six scenes – the hottest being the five-way orgy finale with Kagney Linn Karter, Lexi Swallow and two very lucky studs, which sees our heroine squirting with ecstasy. Plus, Kagney looks fucking hot as Supergirl! The second scene deserves a mention, too, if only because a foursome including Andy San Dimas, Anna Lovato and Jennifer Dark dressed in full comic-book garb fulfils all our nerdish fantasies…

WORST BITS: Although Lexi Swallow looks amazing, her talents seem a bit wasted in this title. It would have been good to see some anal, too.

DVD FEATURES: A single disc with limited extras – eight Bluebird flick trailers and a four-minute explosive cumshot recap compilation.

The Justice League of Pornstar Heroes

THE JUSTICE LEAGUE OF PORNSTAR HEROES
Blu-ray SPECIAL EDITION

Released by: Extreme Comixxx (Exquisite)
Starring: Chanel Preston, Amber Rayne (*as Harley Quinn, below*), Andy San Dimas

BEST BITS: Our fave moments both involve Parody Queen Andy San Dimas: as she fingers her asshole while fucking away at the stunt-cock in cowgirl and, during a achingly good blowjob, calls herself a 'cock pig'. What a gal! Chanel Preston's five-guy blowbang (as Wonder Woman, no less) is spectacular.

WORST BITS: There's a hole where the token rug-munching scene should be – and we miss it!

DVD FEATURES: Three plus hours of them – all excellent!
